ORDER

The Court has reviewed Plaintiff's letter dated January 28, 2022. ECF No. 31. The Court notes that Plaintiff's objections to Judge Parker's Report & Recommendation (the "R&R") were docketed with access restrictions because the exhibits contain Plaintiff's bank account information. *See* ECF No. 29. Under Federal Rule of Civil Procedure 5.2(a), a filing that contains a person's bank account information is docketed with access restrictions for the person's protection. If Plaintiff wishes to file a public version of his objections to the R&R, he may do so by redacting his bank account number and filing a new version of the document. Alternatively, Plaintiff may file a new version of his objections that does not include the exhibit with his bank account information.

The Clerk of Court is directed to terminate the motion at ECF No. 31 and mail a copy of this order to Plaintiff *pro se*.

SO ORDERED.
